### 2010 Awards

**“Sanoﬁ Aventis” Best Presentation Award**
The Award: The inaugural Sanoﬁ Aventis Best Presentation Award is presented by the Middle East Academy of Otolaryngology in association with Sanoﬁ Aventis to the best three paper presentations.
**To be awarded in 2010:**
- Sanaa Abuzaid from Pakistan – Paediatric Tracheostomy: Complications and Role of Homecare in a Developing Country
- Waleed Mohammad from Egypt – Role of Antipsychotic Drugs in Surviving a Psychiatric Crisis
- Nazik El-Sid from Sudan – Neuroanatomical Lesions in Sudan: Clinical, Epidemiological, Histology and Molecular Characteristics

**The “Arab Health” Personal and Professional Achievement Award**
The Award: Established to honour the otolaryngologists who exemplified through their personal and professional lives and careers a deep commitment to the culture and values of the different communities in the Middle East and along with furthering scientific, medical and general development in the area.
**To be awarded in 2010:**
- Salah Mansour from Beirut, Lebanon: Throughout his professional career as a physician and as a teacher, Professor Mansour has demonstrated deep commitment to his students, colleagues, his university, and community. He has focused his efforts on improving credentialing and certification for Otolaryngology training across the Middle East and is presently the president of the Arab Board of Otolaryngology and the vice dean of the faculty of medicine and the president of the Commission of Bioethics at Lebanese University.

**The “Ingeborg and Erwin Hochmair” Award for Service to the Deaf**
The Award: Established in association with Medel Medical Electronics and bearing the name of its founders, the award honours programmes and physicians who contributed the most to helping the deaf community in the Middle East.
**To be awarded in 2010 to Farshid Mahboobi from Iran – TMJ Dislocation**

**The “Karl Storz” Award for Excellence in Teaching**
The Award: Established in association with Karl Storz Endoscopy and bearing the name of its founder, the award honours the person who contributed the most to the education of ENT physicians in the Middle East.
**To be awarded in 2010 to Mohamed Alshehabi from Saudi Arabia – Middle Ear Risk Index**

---

**“Bayer Schering Pharma” Research Award for Residents**
The Award: The inaugural Bayer Schering Pharma Research Award for Residents is presented by the Middle East Academy of Otolaryngology in association with Bayer Schering Pharma to the best two research papers submitted by residents in Otolaryngology in the Middle East including Iran, Turkey and Pakistan.
**To be awarded in 2010 to Saleh Tawfique from Jordan**

---
