Visit the LION web site:
www.lion-web.org
The official web-site of LION is an open source free e-learning platform providing many facilities and information for the ENT community. Explore the LION virtual conference hall to visit the exhibition area, the e-library or to follow from any computer the live streaming of each LION global event.

Enter the LION e-library:
www.lion-e-library.org

The LION e-library is an on-line free portal of regularly updated LION collection of surgical videos, conferences and panel discussion. No subscription is required to gain unlimited access to a wealth of knowledge and expertise in otology and neurotology. This e-learning platform is increasing over forthcoming years and across a wide range of subjects in various fields of otology.

Explore the 3D LION Virtual Exhibition Hall:
www.lion-web.org/virtual_sponsors

A virtual world with links to exhibitors and resources for the ENT world. Visit the virtual exhibition booths of the LION sponsors
