By road:
- Motorway Paris/Lyon/Béziers (A6 & A9)
- Motorway Paris/Béziers (A75)

The live surgery sessions will demonstrate the techniques for otosclerosis, CSOM, ossiculoplasty and implantable hearing aids used at the Causse Ear Clinic. Recent advances and new original techniques will be demonstrated.

The format of the panel discussions with case presentation (The Grand Inquisition) will allow interactive discussion with the audience. The use of an interactive vote system will promote lively controversial and educational debate. Specific questions to the panel can be submitted on-line in advance by the delegates (www.clinique-causse.com/course2014)

Discounts are applied to a wide range of airfares on all Air France and KLM flights worldwide. If passengers are travelling on the following classes of travel: Espace Affairs (Business) and Economique (Coach). To access the preferential fares granted for this course, go to www.clinique-causse.com/course2014

This present document of the event serves to justify the application of the preferential airfare. Keep it with you as you may be asked for it at any point of your journey. To locate your nearest Air France sales point consult www.airfrance.com
